## **Art: A Map of Your Life**

*For older kids*

### **Supplies**

- Paper
- Pencils or markers

Every person's life is a journey! Create a road map of your life today. Record the special times and important events, as well as the detours and rough spots.

As you look at the map of your life so far, think about times when you have experienced God's love through others' words and actions. Write a little note by a couple of those times. How did you know Jesus was walking with you at that time?

## **Game: Tell Me What You See**

*Any age can play this one – but younger ones will need help writing their answers*

### **Supplies:**

- Timer
- Pencils
- Paper
- A crazy costume using anything you have at home – try to add as many accessories as possible (such as different colors, mismatched socks, hair accessories, ties, pins bracelets, etc)

### **Set Up:**

Decide who in the family is going to dress up and have them decide what their costume will look like and have them get dressed in a separate room.

**Before Cleopas and his friend broke bread with Jesus, did the travelers recognize him? The travelers may have been looking at Jesus, but they didn't see him! We're going to play a game to find out how well you can see.**

- Have the family member dressed up come in the room.
- Set the timer for one minute and have everyone take a good look at all of the details of what they are wearing. After one minute, the person dressed up leaves
- Now have each person write down as many things he/she had on as they can remember
- Once everyone is done, have the person come in to see if the things on their list matches what he/she is wearing.
- The person who remembered the most (correct) wins

### **Game: Set the Table Relay**

*Any age can do this one!*

#### **Supplies**

- Whatever you need to set the table

**When Cleopas and his friend invited Jesus for dinner, they had to set the table. So let's set our table in a new way.** Decide how to split up the kids (or the whole family) into two groups.

- Set out everything that needs to go on the table in a different area in the house than where the table is
- On "go" one person from each team grabs one item and brings it to the table.
- The next person on their team goes once their teammate returns.
- The next teammate grabs one item to the table and returns
- Continue until the table is set – fastest team wins

### **Food: Hot Cross English Muffins**

*For all ages*

#### **Supplies:**

- Toaster
- English muffins (or toast or bagels)
- Cream cheese or jelly or peanut butter (or whatever sounds good)
- Frosting

**Jesus shared a special meal with his friends. We can share a special meal, too!**

Toast the English muffins and spread cream cheese (or other topping) on the muffins, then top each one with a frosting cross.
